WHAT IS A SCHOLARSHIP?

Scholarships are awards of financial aid for students to further their education. Scholarships are awarded based upon various criteria that usually reflect the values and purposes of the donor or founder of the award.

WHAT SCHOLARSHIPS AM I ELIGIBLE TO RECEIVE?

Scholarships may be awarded by the Office of University Scholarships and by each of the colleges on campus. There are scholarships for incoming freshmen and transfer students as well as students currently enrolled on campus.

● HOW TO FIND MORE SCHOLARSHIPS FROM A VARIETY OF SOURCES

East Carolina University encourages students to search for private scholarships not affiliated with the university. Start your search early and be aware of deadlines. It does not cost anything to apply for a scholarship beyond a little bit of your time, and the rewards can be significant. Several small scholarships can add up to make a significant impact.

More tips include:

- Ask your high school guidance counselors.
- Ask at your parents' places of employment.
- Check with your local civic, religious and community organizations and community foundations.
- Search for scholarships with companies that offer employment to graduates of your intended program of study.
