- 4. Read the instructions to help understand how the portal works. Complete the General Scholarship Application, making sure to answer each question fully and carefully. Your answers automatically sort your application to scholarships that you are eligible for.
- 5. Make sure you completed every question noted with an (*) and provided your electronic signature and date.
- 6. Click "Finish and Submit" at the bottom of the page. Note: You may be prompted to answer additional questions or to manually "apply to" additional scholarships that the system may identify for you to give a further review. This will be different for each applicant, depending on your answers on the general application and your Banner information.
